Updated December 2022

Due to a surplus of Mass Intention requests, a new policy must be implemented to be sensitive to the needs of all. To ensure that all Masses are honored respectfully, we request your patience & your cooperation with this extremely sensitive issue. Every Mass Intention is of the utmost importance.

Effective immediately, we can honor up to six Mass Intentions for a deceased loved one (per calendar year) here at SVdP. To ensure any remaining Masses are honored, and because many retired Diocesan priests do not receive stipends for their private Masses, any additional requests for that calendar year will be sent to the Diocese for retired priests to offer privately. This will allow us to correct our surplus situation and support our retired priests at the same time.

This policy will be re-evaluated in January of 2024
